**Awarded 21<sup>st</sup> February 2016 at Star Bowl, Shepparton**

**TBAV HALL OF FAME**

This year's inductee into TBAV's Hall of Fame started her serious bowling career in 1987. In the time since, she has accumulated 23 games in President's Shield across 1987 & 1988; accumulated 85 games in Rachuig; before crossing to the dark side of coaching.

Her coaching career includes:

Victorian Rachuig Coach	2001 to 2015 (and continuing)
Victorian Youth Team Coach	2006 to 2012, and 2016
Victorian President's Shield Coach	from at least 2003 (and continuing)

That's approximately 630 coached team games of State representative bowling; and at a bowler level represents coaching in excess of 3,000 games.

In addition, this Coach has represented her country on a number of occasions:

From IBSA World Championships in Florida, USA, Sydney, Australia and Seoul, South Korea in 2004, 2007 and 2015 respectively; to the Commonwealth Championships in Melbourne in 2006; to the Asian Youth Championships in Beijing, China in 2007; to the World Women's Championships in Monterrey, Mexico in 2007; to the World Youth Championships in Orlando, Florida in 2008; to the Asian Adult Championships in Abu Dhabi and Hong Kong in 2011 and 2012 respectively.

This Coach was also one of the instigators of the State based Training program in Victoria and has been a member of the TBAV State Board since 2008.

It would be fair to say that a significant number of Victoria's athletes have, at some point in time, come under the watchful eye of this individual. It would also be fair to say that this CV equals an enormous contribution to our sport, and more particularly to our sport in Victoria.

It gives the TBAV Board great pleasure in inducting Louise Eady into the TBAV Hall of Fame and for Paul Trotter to present the 2015 TBAV Hall of Fame award to LOUISE EADY.
